

Country/entity	Myanmar
Region	Asia and Pacific
Agreement name	National Democratic Alliance Army (NDAA), Government 6-Point Union-Level Peace Agreement
Date	27 Dec 2011
Agreement status	Multiparty signed/agreed
Interim arrangement	Yes
Agreement/conflict level	Intrastate/intrastate conflict Myanmar Conflict (1948 -) Internal conflict, mostly along ethno-political fault lines, has been a constant feature of Myanmar since its independence in 1948. The conflict has two distinct dynamics. First a struggle between an authoritarian government and a pro-democracy opposition which has the characteristics of authoritarian conflicts; and second a struggle between the government and ethnic armed groups which has the characteristics of an identity conflict. The two oldest and strongest militias fighting the government are the Karen National Union (KNU), which has remained active since the late 1940s, and the Kachin Independence Organisation, which was formed in the early 1960s. In total, there are more than a dozen mostly ethnic-based guerrilla groups active throughout the country. Especially in the period of junta dictatorship that lasted until 2011 the government attempted to crush the rebellions, which led to numerous human rights violations. With the start of democratic reforms in the aftermath of the 2010 elections, peace negotiations have taken place and resulted in the signing of various agreements, although conflicts remain active. Close Myanmar Conflict (1948 -)
Stage	Pre-negotiation/process
