Interim Yes

arrangement

Agreement/conflict Intrastate/intrastate conflict

level

Angolan Civil War (1975 - 2002)

The conflict has involved political divisions, and agreements emanate from two dyads. Unita-dyad. Immediately following Angola's independence in 1975, a civil war broke out between the two main armed independence movements, the (then government) Popular Movement for the Liberation of Angola (MPLA) and the National Union for the Total Independence of Angola (UNITA). The UN-mediated Lusaka Protocol in November 1994 did not end fighting and another attempt in 1998 failed due to continuous ceasefire violations. After internal splits and the killing of their founder Jonas Savimbi, UNITA was defeated by MPLA forces in 2002.

Cabinda dyad. Additionally, in the Cabinda enclave, the Front for the Liberation of the Enclave of Cabinda (FLEC) fought a low intensity guerrilla warfare against the MPLA government since independence, but by the early 2000s, FLEC had lost significant operational power and in 2006 the group eventually declared a ceasefire.
