Agreement/conflict level	Intrastate/local conflict

Kenya pre-2007 intercommunal violence

Kenya's northern and western border regions have been sites of instability and intercommunal violence exacerbated by the inflow of large amounts of illegal weapons, primarily small arms and light weapons. These instances of intense armed violence have been linked to cattle-raiding, banditry, conflict over pasture, and have affected areas in the northeast, such as Marsabit and Wajir, parts of the North Rift, and the length of the border with Uganda.
