AGREEMENT REACHED BY BOTH FIELD COMMANDERS OF THE RI AND THE GAM

One of the agreements that has been approved during the moratorium period is to hold a meeting with the field commanders of the Republic of Indonesia (RI) and the Free Aceh Movement (GAM) in order to find appropriate mechanisms to stop violence in Aceh.

The meeting was facilitated by Henry Dunant Center (HDC) on 9 February 2001. It was attended by the field commanders representing the RI and the GAM.

The meeting took place at HDC office in Banda Aceh (Kuala Tripa Hotel). The participants of the meeting were: The Joint Committee on Security Modality (JCSM), Monitoring Team for Security Modality (MTSM), Henry Dunant Center (HDC) and all parties representing the Aceh Police and the GAM.

The eight-hour meeting succeeded to reach agreements on the following matters:

1. Both parties agree to stop violence that brings about the death of the people in Aceh and the destruction of their properties. This agreement shall be effective from 10 to 20 February 2001.
2. Both parties approve actions considered violent activities and/or behavior (see list attached).
3. Both parties agree on the mechanisms applied to anticipate and stop violence in the field by means of socialization, coordination, communication and clarification within different field commanders.
4. Both parties agree to maintain law and order in Aceh and to punish criminals and other violators. These actions are based on the legal procedures and in the spirit of the previous meetings in Geneva, between the RI and GAM.

This agreement proves the goodwill of the decision makers to solve the Aceh conflict which may eventually lead to eternal peace. Therefore, we hope that all concerned community authorities sincerely welcome this agreement, are committed to participate in the successful implementation of this important decision.
