

31 JAN 1995

PRINCIPLES FOR FREEDOM OF MOVEMENT

1. Aim.

These principles define the appropriate procedures regarding freedom of movement, as stated in paragraph 5 of the Agreement on Complete Cessation of Hostilities signed on 31 December 1994. These principles specifically refer to UNPROFOR movements on Serb held territory.

2. Notification.

- a. UNPROFOR will notify the Serbian Army authorities 48 hours in advance of convoy movements and 24 hours for single vehicles.
- b. Movement of single vehicles regarding UNMO's, HQ commanders and staff officers and Liaison Officers will be dealt with in a separate agreement.
- c. Approval for convoy movement will be given by the Serbian Army HQ. In case of disapproval of a convoy, the Serbian authority is obliged to give a proper explanation, stating the reason(s) of refusal of the particular convoy.

3. Control.

Convoys may be checked only once by a S.A. checkpoint. This regards both ingoing and outgoing convoy movement. The check of the convoy will last as short as possible. If goods not stated on the notification are found, a more detailed check will be made.

Goods not mentioned on the notification will be allowed to return on their convoy to their starting points. Goods which are not notified and for which transport is forbidden, will be taken into secure storage. A joint S.A - UNPROFOR commission will discuss the final decision regarding these goods. A list of forbidden goods will be handed over to UNPROFOR by the Serbian Army HQ.

4. Routes.

UNPROFOR convoys will follow the shortest route for which they get clearance to their destination. Details will be given in the notification.

5. Aircraft.

UNPROFOR helicopters will enjoy freedom of movement after notification on the announced and approved route of flying. There will be a check on the ground on an agreed location.

6. Evaluation.

The aforementioned principles will come into effect on 1 February 1995. Evaluation will take place not later than 30 days after signing of this document.
