2. All stakeholders be involved in the formation of grassroots committees especially on border areas.
3. Livestock census and branding be undertaken in all the districts to curb cattle rustling.
4. Communication between District Peace Committee (DPC) and the government should be improved.
5. The DPCs should have their own independent office.
6. Cooperation between our political leaders should be encouraged.
7. A special Inter-District Peace Committee should be formed in the two districts.
8. The government should clear and clarify the political and administrative boundaries between Marsabit and Moyale and within Marsabit itself.

11. To stop revenge, the two communities should be encouraged to settle together, share resources and forgive one another.
12. The DPC members should encourage honesty, truth and discourage ethnic supremacy since all are equal.
13. Traditional authorities for example “Yaa” and “Abagadha” be involved in peace initiatives since most of it can not be resolved without them and that ways and means should be followed to bring the two authorities together as they are not party to this conflict.
14. The government should take stern action against political inciters and spreading rumours.
15. DPCs and the government agents should intensify campaigns against disarmament and voluntary surrender of illegal firearms.
