PEACE DIALOGUE TABLE BETWEEN THE NATIONAL GOVERNMENT AND
THE NATIONAL COORDINATOR OF THE BOLIVARIAN ARMY

The parties agree, within the framework of the Peace Dialogue Table and as a development of thematic point number 4 of the agenda, to create a subcommittee for judicial guarantees that will discuss the following points as a roadmap:

3. Procedural tools
4. Criminal sanctions, penal tools, and potential elements of restorative justice
5. Discussions on extradition and judicial cooperation
6. Standards regarding victims' rights and their redress

The parties recognise that the political nature of the National Coordinator of the Bolivarian Army requires an approach to resolving the legal situation of the combatants belonging to it, in accordance with international instruments and the corresponding existing constitutional and legal provisions. Similarly, it is necessary to highlight the work of the Legal Subcommittee in the development of this roadmap on the possibilities, difficulties and specific bases.

The subcommittee is composed of:

The deliberation and meeting site of the subcommittee will be located in Bogotá and will proceed in parallel with other dialogue tables, according to the instructions of the Peace Commissioner.
