**7<sup>th</sup> -9<sup>th</sup> December 2021, Rumbek Airport Hotel**

**"Mat ku yo yie ebeen buk Təŋ Nyaa / Cuəp-ror"**

**"Together let us unite against violence"**

### **RESOLUTIONS**

*We, the youth leaders, women representatives, elders, intellectuals, Commissioners, MPs and members of State Cabinet;*

*aware of the fact that cattle movements constitute one of the key conflict triggers among sections of our community;*

*appreciating and standing by security measures introduced by the Governor of Lakes State, H.E. Gen. Rin Tueny Mabor,*

*which has seen calm and peaceful stay across the State;*

*further appreciating the dedicated support by POF-Peace Canal in collaboration with Government of Lakes State and CAFOD & Trócaire in Partnership (CTP), which made the Internal Annual Cattle Migration Conference possible;*

*affirming our commitment to maintain this peace and restore lives, our social fabric and norms.*

***we have resolved today on 8<sup>th</sup> December, 2021 in Rumbek, the following resolutions;***

1. No one is allowed to move to TOC with guns. Chiefs must register and surrender all guns and report violators to the government. Chiefs who condone evaders and other criminals will be held responsible by the State Government.
2. All stolen cattle must be returned to their rightful owners before movement of cattle camps to TOC.
3. All wanted criminals must be surrendered to government before movement to TOC.
4. Agaar cattle camps must not move to Belei areas, they must graze in Agaar TOC to prevent skirmishes that otherwise arise between pastoralists and farmers.
5. No cattle movement to any other far away place without approval of the government.
6. Anyone who may identify his stolen bull/cow is not allowed to take it by force, doing so amounts to a violation that is severely punishable by law.
7. Similar conferences need to be held in Yirol and Cueibet areas because cattle movements cause similar communal conflicts in those areas.
8. No section or individuals are allowed to occupy the following contested cattle camps; Aguoc, Gun, Marialbeek, Makuei and Alei.

9. Security forces need to be embedded in the TOC to ensure adherence to these resolutions and maintain peace and security throughout the dry season.
10. Orders and instructions by the Governor, whether written or spoken, must be respected and enforced.
11. All sections of Lakes State community must stick to peaceful means of resolving any differences that may arise and always seek government intervention.
12. All sections shall share common resources (water, pasture and fishing grounds) in TOC, Reel and Toc Manuer as the case may be.
13. Recovery and return of stolen property, payment of blood compensation and arrest of murderers and other criminal must continue as required by State security policy and the law.
14. Spiritual leader of Panyar section, uncle Machar Dhuol will perform the peace ritual so that all sections co-exist peacefully in the Toc.
15. Peace partners should continue supporting peace dialogues and other confidence building measures to heal and restore trust among former adversaries. Neighboring communities of Rumbek North, Rumbek Centre and Cueibet county need to be reached as soon as possible.
16. Peace education is to be introduced in all schools.
17. Youth who continue to misbehave must be apprehended immediately and if they resist, local authorities shall ask for more forces until such criminals are brought to book.
18. Resettlement of communities to their original lands must not be a pre-condition for peace and reconciliation.
19. Youth are still consuming alcohol, security forces should arrest anyone found drunk without warrant.
20. The current freedom of movement must continue and all stakeholders are urged to ensure its maintenance in their respective areas.
21. Peace and development partners need to support affected communities with basic services such provision water, micro-business projects and vocational skills training to transform young people from conflict to peace.
22. Chiefs and Gelweng leaders shall move together with youth and stay in the Toc during the dry season to provide information's and early warning to leadership during the grazing period.
23. POF and other peace partners should support dissemination of these resolutions in the villages and cattle camps.
24. Those who may continue to practice cattle theft should be reported by their immediate community leaders or else they shall be considered to have condoned the crimes, which is punishable as far as these resolutions are concerned.
25. Those charged with implementation of government policies (security officers, administrators and members of Special Courts) need to be supervised by their immediate managers to detect any deviation or conflict of interest in the performance of his/her duties e.g. favoritism, bribery, high fines and court fees.

26. Hate speech in public meeting must be a punishable offence since most of the conflicts in Lakes State were being incited through public (peace and security) meeting.
27. We have agreed to establish the Internal Cattle Migration Monitoring Committee (ICMMC) of sixteen members to monitor, liaise and implement these resolutions. The committee composition shall be as follows:
