

In the name of Allah, most gracious and merciful

The decision of the civil administration in the villages of Jabala and Maar Tamater, represented by the two local councils.

Due to the current circumstances the region is going through, a meeting was held between the two the local councils and all the military factions in the village, and the decision was made on the following:

1. A complete neutralization of the two villages Jabala and Maar Tamater from this fighting.
2. Consider all fighters within the two villages as one body and follow the local councils within the two villages.
3. The belligerent factions are prohibited from exploiting roads in the two villages.
4. The two villages are [to be] empty of military headquarters.
5. Any person who violates any of these articles is considered as an individual act and does not represent the village.
